

Club de Cata Madrid
Magia y placer para tus sentidos

On Wednesday, May 23rd we organized a tasting in collaboration with the Club de Cata of Madrid in the restaurant Garcia. We had the opportunity to present some of our best wines to the amateurs' club, managed by Alberto Virosta.

Participants were able to taste the wine around a delicious meal. We presented the "Privado de Valsardo 2000", a wine of the land of Castilla y León, the Crianza with Valdeyuso 2001 and Valdeyuso 2002, as well as our Valsardo Reserva 2001 with 94 Parker points and the liquor Valsardo.

Our ORGANIC cosmetics brand Viñali was also present with its creams and its facial treatments made with grapefruit BIO.
