

# Salón Enotur 2012

The Enotur fair was held in the Palacio de Congresos of Madrid, from 13 till 15 April 2012. This unique forum in Spain is specialized in “oenogatsronomie”. This space is intended to spread a popular vision of the wine and gastronomy through tourism.

In this unique space, professionals and amateurs were able to taste the best Spanish products, among them our biodynamic wines Valsardo. Visitors were able to discover our wines as well as the ecological cosmetics brand, Viñali.

*Permitase un lujo, Disfrute un Valsardo.*
